I didn't get my login details, how can I access the training?

Hassan - 2023-12-15 - Access to the Training

After you placed your purchase, you would have received a welcome email titled "You've been granted access to....." and a separate email with your login details for the Members Area of the course you subscribed to

Note: These emails may have landed in your spam/promotions folder, so do a search in all your mail folders.

If you still can't find the email with your login details, please refer to the login page of the program you have subscribed to and click the "Forgot Your Password" link to reset it. Use the same email address you used when you purchased the program.

For example,

- If you purchased 123 Profit, please go to <https://www.123profitmembers.com/login>
- If you purchased Commission Blueprint Supercharged, please go to <https://members.commissionblueprint.com/login>
- If you purchased Print & Profit Machines OR Project Thunderbolt, please go to: <https://members.omcaccess.com/login>

If you are not even getting reset password instructions sent to you, you may have missed the registration step after you purchased the course. In order to complete your registration, simply click on the green button that says "Download/Access Purchase" on your Clickbank receipt. That kicks off the automatic registration.

If you can't find your Clickbank receipt in your emails, please refer to <https://www.clkbank.com/#orderLookup>

If you are still having trouble accessing the training, please submit a support ticket on <https://support.blueprintcentral.com/new-ticket> and we'll manually set it up for you.
